Hi Steve,

I contacted the eNOI center and it looks like you have two options to submit your NOT (see email below). If you are going to be doing additional construction in ND I would suggest getting a eNOI account (see link below). If you are not planning on doing construction in ND, we can talk to Greg Davis our Regional eNOI contact and get approval for you to submit the NOT in paper form. Please let me know which option you prefer?

Thanks,

Subject: Steve Kahn - NEEDS ACCESS - CGP NOIs

Greetings Emilio,

Thank you for contacting the EPA NOI Processing Center. Per our phone conversation, the new responsible individual, Steve Kahn, has two options for filing his Notices of Termination (NOT) - the paper form or electronically. As I mentioned the paper NOT form would require the EPA Regional approval.

If he would like access on his CDX account to file the NOTs electronically, we would need an **authorization letter on the official company letterhead of Panther Development Investments LLC** granting the EPA NOI Processing Center permission to associate the requested tracking number to his CDX account. The following information should be included in this letter:

- An authorization statement along the lines: "I grant the EPA NOI Processing Center permission to associate the permit tracking numbers to my CDX account."
- Tracking Number(s):
- CDX User ID:
- Name on CDX account:

- Email on CDX account:
- Role on CDX account (preparer/certifier):

Mr. Kahn must sign and email us a copy of the letter. Here is some guidance to pass along on using the CGP eNOI system and registering for a CDX account:

Please, let me know if you or Steve have any questions.
